

CURRICULUM VITAE

A. Deon Lee Thompson
Georgia State University
Division of Physical Therapy
P.O. Box 4019
Atlanta, Georgia 30302
(404) 413.1225
Doctor of Physical Therapy Program, Georgia State University

Education: University of Southern Mississippi
Hattiesburg, Mississippi
Exercise Science
Doctor of Philosophy, 1989

Wake Forest University
Winston-Salem, North Carolina
Exercise Physiology
Master of Arts, 1978

Wake Forest University
Winston-Salem, North Carolina
Physical Education
Bachelor of Science, 1976

Certifications:

American College of Sports Medicine Preventive and Rehabilitative Program Director. Since October 1988. (inactive)

American College of Sports Medicine Exercise Specialist. Since August 1986. (inactive)

American college of Sports medicine Exercise Test Technologist. Since July 1978. (inactive)

Employment and Positions Held:

Clinical Associate Professor (**Part-time 0.5 FTE**)
Georgia State University
Department of Physical Therapy
Atlanta, Georgia
2010-present

Director, Human Anatomy Laboratory
Georgia State University
Department of Physical Therapy
Atlanta, Georgia
2010-present

Instructor (Part-time)
Georgia Perimeter College
Division of Biology
Dunwoody, Georgia

2010

Assistant Professor (0.5 FTE)
Georgia State University
Division of Physical Therapy
Atlanta, Georgia
1994-2009

Director, Human Anatomy Laboratory
Georgia State University
Division of Physical Therapy
Atlanta, Georgia
1994-2009

Faculty
American College of Sports Medicine Health / Fitness Instructor Workshops
(nationally and internationally including: Rio de Janeiro, Brazil; Athens, Greece)
1994-2007

Faculty
American College of Sports Medicine Exercise Specialist Workshops (nationally
and internationally including: Basel, Switzerland)
1994-2007

Coordinator of Cardiopulmonary Rehabilitation
Forrest General Hospital
Hattiesburg, Mississippi
1990-1994

Program Director, Pulmonary Rehabilitation
Methodist Hospital
Center for Outpatient Rehabilitation
Hattiesburg, Mississippi
1986-1990

Exercise Physiologist
Institute For Wellness and Sports
Methodist Hospital
Hattiesburg, Mississippi
1986-1987

Gymnastic Coach and Instructor
Progressive Gymnastic Academy
Cary, Illinois
1983-1985
Gymnastic Coach and Instructor
Universal Gymnasts, Inc.
Columbus, Ohio
1982-1983

Faculty

American College of Sports Medicine
Preventive / Rehabilitative Exercise Test Technologist Workshop
Northeastern Illinois University
Chicago, Illinois
1981

Exercise Leader (Aquatic Phase)
Swedish Covenant Hospital Cardiac Rehabilitation and Health Enhancement
Center
Chicago, Illinois
1980-1982

Lecturer
North Park College
Biology
Chicago, Illinois
1980-1985

Gymnastic Coach
Forsyth Country Day School
Winston-Salem, North Carolina
1978-1980

Lecturer
American College of Sports Medicine Graded Exercise Test Technologist
Workshop
Wake Forest University
Winston-Salem, North Carolina
1978

Teacher
Forsyth Country Day School
Elementary Physical Education (Kindergarten – Grade 3)
Winston-Salem, North Carolina
1978-1980

Administrative Assistant
Wake Forest University
Cardiac Rehabilitation Program
Winston-Salem, North Carolina
1977-1978

Instructor
Wake Forest University
Human Anatomy and Physiology Laboratory
Winston-Salem, North Carolina
1977-1980

Gymnastic Coach and Instructor
Wake Forest University
Community Gymnastic Program

Winston-Salem, North Carolina
1976-1978

Coordinator
Wake Forest University Women's Adult Fitness Program
Wake Forest University
Winston-Salem, North Carolina
1976-1978

Instructor
Freshman Required Physical Education Program
Wake Forest University
Winston-Salem, North Carolina
1976-1978

Coordinator of Gymnastics, Instructor and Coach
Winston-Salem Central YMCA
Winston-Salem, North Carolina.
1976 – 1977

Thompson, D.L. "Pulmonary Rehabilitation: Evaluation and Treatment ". *PRESENTATION AT THE MARYLAND ASSOCIATION OF CARDIOVASCULAR AND PULMONARY REHABILITATION*, Baltimore, Maryland, October 5, 1991. (invited)

Other Scholarly Products:

Neisler, H.M., D.L. Thompson and S. Grantham: Effects of phosphate supplementation on ATP, 2,3-DPG, and arterial P50: a pilot study to solidify an interdisciplinary team. PROCEEDINGS, Collaborative Research in Allied Health Symposium, The Ohio State University, Columbus, Ohio. 1988, 127-133.

Community Service:

Meals on Wheels Volunteer, Rockdale County, Georgia. (1996 – 2008)

Mentor, New Hope Elementary School, Henry County, Georgia. . (2005 – 2008)

Mentor, Cotton Indian Elementary School, Henry County, Georgia. (2002 – 2004)

Sunday School Teacher, Ebenezer United Methodist Church, Conyers, Georgia . (1999 – present)

Services to the University/College/School

Committees/Councils/Commissions:

Chair, Unit Review Committee for Non-Tenure Track Faculty Promotion, Department of Physical Therapy, Georgia State University, Atlanta, Georgia. (2015 – present)

Member, *ad hoc* Unit Review Committee for Non-Tenure Track Faculty Structured Review, Department of Physical Therapy, Georgia State University, Atlanta, Georgia. (2015 – present)

Member, *ad hoc* Unit Review Committee for Non-Tenure Track Faculty Structured Review, Department of Respiratory Therapy, Georgia State University, Atlanta, Georgia. (2015 – present)

Member, Curriculum Committee, Department of Physical Therapy, Georgia State University, Atlanta, Georgia. (2011 – present)

Member, Non-Tenure Track Promotion Committee, Byrdine F. Lewis School of Nursing and Health Professions, Georgia State University, Atlanta, Georgia (2012 – 2104)

Member, Student Promotion and Retention Committee , Department of Physical Therapy, Georgia State University, Atlanta, Georgia. (2005 – 2009)

Member, Admissions Committee, Department of Physical Therapy, Georgia State University, Atlanta, Georgia .(2006 – 2009)

Member, Board of Directors, American Association of Cardiovascular and Pulmonary Rehabilitation. (2002-2004)

Member, Professional Liaison Committee American Association of Cardiovascular and

Pulmonary Rehabilitation. (1998 – 2001)

Member, Education Committee, American Association of Cardiovascular and Pulmonary Rehabilitation. (1997 – 2008)

Honors and Awards:

Fellow, American Association of Cardiovascular and Pulmonary Rehabilitation

Current Teaching Responsibilities in the Entry-level Physical Therapy Program (in sequence, by quarter or semester):

Department of Physical Therapy, Georgia State University, Atlanta Georgia

Fall Semester

PT 6600: Human Gross Anatomy I

PT 6605: Human Gross Anatomy I Lab

Spring Semester

PT 6800: Human Gross Anatomy II

PT 6805: Human Gross Anatomy II Lab

Byrdine F. Lewis School of Nursing and Health Professions

Summer Semester

SNHP 6900: EKG Interpretation

SNHP 3900: EKG Interpretation
