

## CURRICULUM VITAE

### BIOGRAPHICAL

**NAME:** Anita M. Nucci, PhD, RD, LD

**RANK:** Associate Professor

**DEPARTMENT:** Nutrition

**BUSINESS ADDRESS:** Georgia State University  
Byrdine F. Lewis College of Nursing and Health Professions  
Department of Nutrition  
P.O. Box 3995  
Atlanta, GA 30302-3995

**BUSINESS PHONE:** (404) 413-1234      **BUSINESS FAX:** (404) 413-1228

**E-MAIL ADDRESS:** anucci@gsu.edu

---

### EDUCATION

1996	University of Pittsburgh Pittsburgh, PA	PhD	Epidemiology
1992	University of Pittsburgh Pittsburgh, PA	MPH	Public Health
1985	Cleveland Metropolitan General Hospital Cleveland, OH	RD	Dietetic Internship
1984	Pennsylvania State University State College, PA	BS	Nutrition

### PROFESSIONAL CREDENTIALS, CERTIFICATIONS AND LICENSURE

2010-Present	GE Healthcare	enCore™ Operator (Lunar iDXA)
2009-Present	State of Georgia #LD003434	Licensed Dietitian
2003-2010, 2013-Present	Commonwealth of Pennsylvania #DN000696	Licensed Dietitian-Nutritionist
1985-Present	Academy of Nutrition and Dietetics #709072	Registered Dietitian

### EMPLOYMENT HISTORY

2015-Present	Associate Professor, Department of Nutrition Georgia State University
2009-2015	Assistant Professor, Department of Nutrition Georgia State University
1996 – 2009	Manager, Department of Clinical Nutrition, Nutrition Support Service, and Intestinal Care and Rehabilitation Center University of Pittsburgh Medical Center Children’s Hospital of Pittsburgh
1987 – 2009	Pediatric Clinical Dietitian University of Pittsburgh Medical Center Children’s Hospital of Pittsburgh

## SCHOLARSHIP AND PROFESSIONAL DEVELOPMENT

### PUBLICATIONS

#### Journal Articles

*Published in participation with the Trial to Reduce IDDM in the Genetically at Risk (TRIGR) study:*

Writing Group for the **TRIGR Study Group**. Effect of Hydrolyzed Infant Formula vs Conventional Formula on Risk of Type 1 Diabetes: The TRIGR Randomized Clinical Trial. *JAMA*. 2018; 319(1):38-48. (refereed)

Knip M, Akerblom HK, Becker D, Dosch HM, Dupre J, Fraser W, Howard N, Ilonen J, Krischer JP, Kordonouri O, Lawson ML, Palmer JP, Savilahti E, Vaarala O, Virtanen SM, **TRIGR Study Group**. Hydrolyzed infant formula and early  $\beta$ -cell autoimmunity: a randomized clinical trial. *JAMA*. 2014;311:2279-2287. (refereed)

Hadley D, Cheung RK, Becker DJ, Girgis R, Palmer JP, Cuthbertson D, Krischer JP, Dosch HM, **TRIGR North America Investigators**. Large-scale prospective T cell function assays in shipped, unfrozen blood samples: experiences from the multicenter TRIGR trial. *Clin Vaccine Immunol*. 2014;21:203-211. (refereed)

**TRIGR Study Group**, Akerblom H, Krischer J, Virtanen S, Berseth C, Becker D, Dupré J, Ilonen J, Trucco M, Savilahti E, Koski K, Pajakkala E, Fransiscus M, Lough G, Bradley B, Koski M, Knip M. The trial to reduce IDDM in the genetically at risk (TRIGR) study: Recruitment, intervention and follow-up. *Diabetologia*. 2011; 54: 627-633. (refereed)

*Published in participation with the Pediatric Intestinal Failure Consortium:*

Khan FA, Squires RH, Litman HJ, Balint J, Carter BA, Fisher JG, Horslen SP, Jaksic T, Kocoshis S, Martinez JA, Mercer D, Rhee S, Rudolph JA, Soden J, Sudan, D, Superina RA, Teitelbaum DH, Venick R, Wales PW, Duggan C, **Pediatric Intestinal Failure Consortium**. Predictors of enteral autonomy in children with intestinal failure: A multicenter cohort study. *J Pediatr*. 2015;167:29-34. (refereed)

Squires RH, Balint J, Horslen S, Wales PW, Soden J, Duggan C, Li R, Belle SH, **Pediatric Intestinal Failure Consortium**. Race affects outcome among infants with intestinal failure. *J Pediatr Gastroenterol Nutr*. 2014;59:537-543. (refereed)

Squires RH, Duggan C, Teitelbaum DH, Wales PW, Balint J, Venick R, Rhee S, Sudan D, Mercer D, Martinez JA, Carter BA, Soden, J, Horslen S, Rudolph JA, Kocoshis S, Superina R, Lawlor S, Haller T, Kurs-Lasky M, Belle SH, **Pediatric Intestinal Failure Consortium**. Natural history of pediatric intestinal failure: Initial report from the pediatric intestinal failure consortium. *J Pediatr*. 2012;161:723-728. (refereed)

*Publications:*

Miettinen ME, Niinisto S, Erlund I, Cuthbertson D, **Nucci AM**, Honkanen J, Vaarala O, Hyoty H, Krischer JP, Knip M, Virtanen SM, The TRIGR Investigators. Serum 25-hydroxyvitamin D concentration in childhood and risk of islet autoimmunity and type 1 diabetes – the TRIGR nested case-control ancillary study. *Diabetologia*. 2020;63:780-787. (refereed)

Douglas TD, **Nucci AM**, Berry AM, Henes ST, Singh RH. Large neutral amino acid status in association with P:T ratio and diet in adult and pediatric patients with phenylketonuria. *JIMD Reports*. 2019;50:50-59. (refereed)

Bellissimo MP, Licata AD, **Nucci A**, Thompson W, and Benardot D. Relationship between hourly energy balance and body composition in professional cheerleaders. *J of Sci in Sport and Exercise*. 2019;1:69-77. (refereed)

- Nucci AM**, Ellsworth K, Michalski A, Nagel E, Wessel J, on behalf of the A.S.P.E.N. Pediatric Intestinal Failure Section. Survey of Nutrition Management Practices in Centers for Pediatric Intestinal Rehabilitation. *Nutr Clin Pract*. 2018;33(4):528-538. (refereed)

## Grants and Funding

### External:

5U01HD042444-15 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Co-Investigator (\$105,252) National Institutes of Health (\$1,779,804 total award)	07/01/2015 – 06/30/2017
5U01HD042444-14 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Co-Investigator (\$77,349) National Institutes of Health (\$1,745,948 total award)	07/01/2014 – 06/30/2015
D09HP26964 (Moloney) Interprofessional Collaboration of Those with Multiple Chronic Illnesses Role: Core Faculty (\$45,137) HRSA Advanced Nursing Education (\$1,108,131 total award)	07/01/2014 – 12/31/2017
2U01HD042444-13 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Co-Investigator (\$64,092) National Institutes of Health (\$1,679,960 total award)	07/01/2013 – 06/30/2014
2U01HD042444-12 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Nutrition Coordinator (\$24,082) National Institutes of Health (\$1,732,974 total award)	07/01/2012 – 06/30/2013
2U01HD042444-11 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Nutrition Coordinator (\$24,449) National Institutes of Health (\$1,779,316 total award)	07/01/2011 – 06/30/2012
2U01HD042444-10 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Nutrition Coordinator (\$23,737) National Institutes of Health (\$1,632,003 total award)	07/01/2010 – 06/30/2011
7U01HD042444-09 (Becker) Trial to Reduce IDDM in the Genetically at Risk: A Nutritional Primary Prevention Role: Nutrition Coordinator (\$8,653) National Institutes of Health (\$1,683,357 total award)	09/01/2009 – 06/30/2010

*Internal:*

(Nucci) 11/1/2013 – 06/30/2014  
Evaluation of Nutrition Strategies to Achieve Enteral Autonomy in Children with Short Bowel Syndrome  
Role: Principal Investigator (\$7,000)  
Byrdine F. Lewis School of Nursing and Health Professions

*Grants submitted but not funded:*

Prospective Examination of Nutrition and Feeding Problems in Premature Infants  
Role: Principal Investigator  
National Institutes of Health  
\$300,000 (2013)

Does reducing within day deviations in energy balance improve body composition and weight in obese adolescent and adult populations?  
Co-Investigator  
National Institutes of Health  
\$375,000 (2010)

*Consulting:*

5R01HL112985-02 (Rajakumar) 01/01/2013 – 05/31/2018  
Vitamin D and Vascular Function in Obese Children  
Role: Nutrition Consultant (\$5,000)  
National Institutes of Health

**Professional Presentations**

*Oral Presentations*

Nucci A. The “How-To’s” of Writing and Submitting your Data, September 21, 2018. 10<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A, Yaworski JA, Thomas E, Hopkins B, White J, Rudolph J. Comparison of Nutrition Outcomes by Enteral Nutrition Feeding Method during Weaning from PN in Children with Intestinal Failure, September 20, 2018. 10<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A. The TRIGR Trial: Infant Feeding and Timing of Complementary Foods in the Development of Type I Diabetes, August 28, 2018. Children’s Healthcare of Atlanta Nutrition Support Colloquium (invited, podium, local)

Nucci A. Getting Started: How to Define and Study the Challenges and Questions in your Practice, June 2017, Congress of the Intestinal Rehabilitation and Transplant Association (invited, podium, international)

Nucci A, Enos T, Giles D, McCormack D, Melles F, Nguyen T, Melton T. Designing a Computerized Disease Registry for Care Management and Outcomes Evaluation in Pediatric Intestinal Failure, October 2016, 9<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A, Ellsworth K, Michalski A, Nagel E, Wessel J on behalf of the A.S.P.E.N. Pediatric Intestinal Failure Section. Comparison of Nutrition Management Practices in U.S. Pediatric Centers for Intestinal Rehabilitation, October 2016, 9<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A. Enteral and Oral Supplementation in Intestinal Failure and Transplant, October 2016, 9<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, round table, international)

Nucci A. Enteral Feeding Strategies and Complications, September 2014, 8<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A. Primary Prevention of Type 1 Diabetes: A Research Trial, March 2014, Georgia Academy of Nutrition and Dietetics Annual Conference and Exhibition (invited, podium, local)

Nucci A. Nutritional Management and Outcomes in Pediatric Intestinal Transplant, April 2013, Greater Atlanta Dietetic Association Webinar (invited, webinar, local)

Nucci A. Nutritional Outcomes in Pediatric Intestinal Transplants, September 2012, 7<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (invited, podium, international)

Nucci A. Nutritional Management after Pediatric Intestinal Transplantation, September 2010, GI/Nutrition Colloquium at Children's Healthcare of Atlanta (invited, podium, local)

Nucci A. The Nutritional Management of Short Bowel Syndrome, April 2010, Pediatric Nutrition Symposium at Children's Healthcare of Atlanta, Atlanta, GA (invited, podium, national)

Nucci A. Nutritional Management of the Pediatric Intestinal Transplant Recipient, November 2009, Greater Atlanta Society of Parenteral and Enteral Nutrition (invited, podium, local)

Nucci A. The Pediatric Surgical Patient, February 2005, American Society for Parenteral and Enteral Nutrition (invited, podium, international)

*Poster Presentations:*

**Nucci A**, Yaworski JA, Rudolph J. Interdisciplinary Management of Pediatric Intestinal Failure: Past vs. Present Outcomes. 10<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium, 2018 (refereed, international)

### **Editorial or Reviewer Projects**

2019 – Present	Reviewer (ad hoc) for Transplantation
2019 – Present	Reviewer (ad hoc) for Diabetologia
2018 – Present	Reviewer (ad hoc) for Nutrients
2017 – Present	Reviewer (ad hoc) for Journal of Diabetes
2016 – Present	Reviewer (ad hoc) for Maternal & Child Nutrition
2014 – Present	Reviewer (ad hoc) for Nutrition Research
2014 – Present	Reviewer (ad hoc) for BMC Pediatrics
2014 – Present	Reviewer (ad hoc) for Nutrition in Clinical Practice
2014 – Present	Reviewer (ad hoc) for the American Society for Parenteral and Enteral Nutrition
2013 – Present	Reviewer (ad hoc) for Pediatric Diabetes
2013 – Present	Reviewer (ad hoc) for Nutrition and Food Science
2012 – Present	Reviewer (ad hoc) for Journal of Pediatric Intensive Care
2009 – Present	Reviewer (ad hoc) for Journal of the Academy of Nutrition and Dietetics

### **PROFESSIONAL AND HONOR ORGANIZATION ACTIVITIES**

2018 – Present	Member, Alpha Eta National Honor Society for Healthcare Professionals
2013 – Present	Member (Cognizant), Georgia Board of Examiners of Licensed Dietitians
2009 – Present	Member, Academy of Nutrition and Dietetics
2009 – Present	Member, Georgia Academy of Nutrition and Dietetics
2009 – Present	Member, Georgia Chapter, American Society for Parenteral and Enteral Nutrition
2009 – Present	Member, Greater Atlanta Dietetic Association
1997 – Present	Member, American Society for Parenteral and Enteral Nutrition
	2020 – Present: Chair, Pediatric Intestinal Failure Section
	2018 – Present: Chair-Elect, Pediatric Intestinal Failure Section
	2015 – Present: Member, Publications Review Committee
	2014 – 2017: Co-chair Dietitian Sub-group, Pediatric Intestinal Failure Section
	2012 – 2014, 2016 – Present: Member, Abstract Review Committee
	2017 - Present: Pediatric Group Leader
	2010 – 2014: Member, Self-Assessment Committee
1997 – Present	Member, Delta Omega National Honor Society in Public Health

## HONORS, AWARDS, RECOGNITIONS

2013	Program for Adjusting Workloads for Junior Faculty (PAWS JR)/Byrdine F. Lewis School of Nursing and Health Professions
2012	Outstanding Researcher/Georgia Academy of Nutrition and Dietetics
1995	The Hubert Humphrey Research Grant/The School Food Service Foundation

## INSTRUCTION

### TEACHING

#### Courses

##### NUTR 7104 (Reproductive and Pediatric Nutrition)

Sprint 2020 – 11 students (fully online)  
Spring 2019 – 9 students (fully online)  
Spring 2018 – 10 students (fully online)  
Spring 2017 – 12 students  
Spring 2016 – 20 students  
Spring 2015 – 17 students  
Spring 2014 – 10 students  
Spring 2013 – 13 students  
Spring 2012 – 14 students  
Spring 2011 – 9 students  
Spring 2010 – 14 students

##### NUTR 7101 (Nutrition Issues)

Spring 2020 – 19 students (fully online)  
Spring 2019 – 8 students (fully online)  
Spring 2018 – 16 students (fully online)  
Summer 2017 – 22 students (fully online)  
Summer 2016 – 21 students  
Summer 2015 – 20 students  
Summer 2014 – 22 students  
Summer 2013 – 22 students  
Summer 2011 – 13 students  
Fall 2010 – 6 students  
Summer 2010 – 11 students  
Fall 2009 – 4 students

##### NUTR 3105/6105 (Nutrition, Culture & Life Cycle; Life Cycle Nutrition 2016 - present)

Fall 2019 – 39 students  
Fall 2018 – 34 students  
Fall 2017 – 31 students  
Fall 2016 – 30 students  
Fall 2015 – 38 students  
Fall 2014 – 37 students  
Fall 2012 – 43 students  
Fall 2011 – 35 students

NUTR 6101 (Nutrition Research Methods)  
Summer 2019 – 24 students (fully online)  
Summer 2018 – 25 students (fully online)  
Summer 2017 – 15 students (fully online)  
Fall 2016 – 22 students

NUTR 6100 (Scientific Principles of Nutrition)  
Spring 2010 – 8 students

NUTR 4950 (Senior Seminar)  
Spring 2014 – 27 students

NUTR 3100 (Nutrition and Health)  
Spring 2018 – 200 students (fully online)

SNHP/CNHP 6000 (Research Methods for Health Professionals)  
Fall 2019 – 23 students (fully online)  
Fall 2018 – 24 students (fully online)  
Fall 2017 – 27 students (fully online)  
Summer 2014 – 17 students  
Summer 2013 – 20 students  
Summer 2012 – 17 students  
Summer 2011 – 10 students  
Fall 2010 – 26 students  
Fall 2009 – 17 students

### **Guest Lecturing**

Department of Nutritional Sciences, School of Health Related Professions, Rutgers, The State University  
NUTR 6602E (Advanced Enteral and Parenteral Nutrition): Online course, Pediatrics (3/30/16 – 4/5/16)

Department of Nutritional Sciences, School of Health Related Professions, Rutgers, The State University  
NUTR 6602E (Advanced Enteral and Parenteral Nutrition): Online course, Pediatrics (4/1/14 – 4/7/14)

Department of Nutritional Sciences, University of Medicine and Dentistry of New Jersey  
NUTR 6602E (Advanced Enteral and Parenteral Nutrition): Online course, Pediatrics (3/31/11 – 4/6/11)

### **STUDENT ADVISEMENT**

#### **Thesis Committee Chair**

The Impact of Breastfeeding Education on Infant Feeding Outcomes  
Dashia Antunes (In progress)

Maternal Determinants of the Timing of Introduction of Complementary Food to Infants  
Susana Morphis (In progress)

Association between Eosinophilic Esophagitis and Food Protein-Induced Enterocolitis Syndrome in Children.  
Ashley Gerken (graduated fall 2018)

Critical Care Nutritional Need Calculations and Mortality in a Large, Urban University Hospital with High Malnutrition Upon Entry. Lindsay Ryan (graduated fall 2018)

Use of a volume-based enteral feeding protocol to increase patients receiving 85% or more of caloric requirements in an urban medical center ICU. Anna Huffman (graduated fall 2018)

Comparison of Enteral Nutrition Strategies in Achieving Enteral Autonomy in Children with Intestinal Failure. Elizabeth Thomas (graduated summer 2018)

The Effect of Diet Records and Amino Acid Formula on Essential Amino Acid Ratio in Patients with Phenylketonuria. Annie Berry (graduated summer 2017)

Factors Identified by Nutritionists as Affecting Breastfeeding Rates among WIC Participants of the Women, Infants and Children (WIC) Program Lauren Casey (graduated summer 2017)

The Effect of a 4-Week Intervention on Glycated Hemoglobin A1C Levels in Adults with Type 2 Diabetes by Food Security Status Rachel Silva (graduated summer 2017)

The Relationship between Vitamin D Status and Body Mass Index in a Racially Diverse Urban Population of Male and Female Pre- and Early-adolescents Sarah Cork (graduated summer 2017)

Factors Affecting Length of Stay in Children and Adolescents Admitted with an Eating Disorder to a Large Urban Pediatric Hospital Adelina Paduraru (graduated summer 2016)

Differences in Nutritional Outcome Measures between Preadolescents and Adolescents with Anorexia Nervosa who received a Nasogastric Feeding Tube versus Oral Diet upon Hospital Admission Paige Herring (graduated summer 2016)

Micronutrient Deficiencies in Children Diagnosed with Food Selectivity and Autism Spectrum Disorder Lisa Janik (graduated summer 2016)

The Effects of HIV Disease and Lifestyle Factors on Cellular Aging Scott Sohn (graduated summer 2016)

Efficacy of a Screening Tool to Assess Malnutrition in Adults Admitted to a Large Urban University Hospital Allie Moshier (graduated summer 2015)

The Relationship between the Source of Protein Intake and Obesity Risk in Children Grace Stuhrman (graduated summer 2015)

The Effect of Nutrition Training on the Nutrition Knowledge of School Nutrition Managers and Food Choices made by Students in Public School Cafeterias Marti Toner (graduated summer 2015)

Association of Antioxidant Intake and Body Mass Index in Pre-to-Early Adolescents Kelly Imboden, Nutrition (graduated summer 2014)

The Relationship between Enteral Nutrition Formula Composition, Feeding Tube Placement Site, and the Start of Enteral Feedings on the Development of Ventilator Associated Pneumonia in an Adult Intensive Care Unit Jessica Alexander, Nutrition (graduated summer 2014)

The Relationship between Alcohol Intake and Body Fat Percentage in Adult University Employees  
Jessica Beardsley, Nutrition (graduated summer 2014)

Eating behaviors and Supplement Use of College Upperclassmen Athletes versus Underclassmen Athletes  
Marissa Wertheimer, Nutrition (graduated fall 2013)

Developing a Sports Nutrition Formulary for the Academy of Nutrition and Dietetics Sports Nutrition Care Manual  
Stephanie Vera, Nutrition (graduated summer 2013)

The Relationship between Serum 25-Hydroxyvitamin D, Vitamin D and Calcium Intake and Adiposity in Infants and Toddlers  
Carolyn Morris, Nutrition (graduated summer 2013)

Association between Vitamin D Intake and Obesity during Pre- and Early Adolescence  
Lori Scholle, Nutrition (graduated fall 2012)

Sociocultural Barriers to Breast Feeding in African American Women with Focused Intervention to Increase Prevalence  
Alicia Simpson, Nutrition (graduated fall 2012)

The Effect of a Health-Based Digital Menu on Dining Hall Food Choices in a Population of College Students  
Elizabeth Purinai, Nutrition (graduated summer 2012)

Administration of the Behavioral Pediatrics Feeding Assessment Scale (BPFAS) to Parents of High-Risk Infants: How to Best Identify those at Risk for Feeding Difficulties  
Monica Evans, Nutrition (graduated summer 2012)

The Efficacy of Short-Term of Supplemental Nutrition Education on Nutrition Knowledge and Dietary Behaviors of Urban Middle School Children  
Julia Orr, Nutrition (graduated summer 2012)

The Relationship between Diet Quality and the Comorbidity of Diabetes in Adults with Heart Failure  
Jessica Hill, Nutrition (graduated fall 2011)

Vitamin D and Calcium/Dairy Intake in Relation to Obesity in Children  
Jason Barry, Nutrition (graduated summer 2011)

Association between Feeding Practices and Beliefs of Mothers Participating in WIC in Gwinnett County and Current Recommendations for Child Feeding  
Jenny Askew, Nutrition (graduated summer 2011)

The Effectiveness of a Short Food Frequency Questionnaire in Determining the Adequacy of Vitamin D Intake in Children  
Caitlin Russell, Nutrition (graduated fall 2010)

### **Thesis Committee Member**

Risks Factors for Relative Energy Deficiency in Sport in Elite Gymnasts  
Taylor Blake (graduated fall 2015)

Bridging Clinical and Community Care to Address Childhood Obesity in Atlanta  
Abbie King (graduated summer 2015)

Changes in Youth and Adolescent BMI After a Family-based, Healthy Weight Summer Camp  
Lauren Clark (graduated summer 2015)

Frequency of Nutrition Counseling in an Overweight and Obese Adolescent Urban Population and its Effect on BMI and BMI Z-Score  
Lisa Sakalik (graduated summer 2015)

The Relationship between Diet, Body Composition, and Grip Strength in Professional Cheerleaders  
Moriah Bellissimo (graduated summer 2015)

Changes in body mass index and dietary behavior in overweight college freshman after a metabolic test to measure energy needs and an eight week Facebook nutrition education intervention  
Suzanne Saunders (graduated summer 2015)

Mechanisms for the Absorption of Vitamin D in Cystic Fibrosis: Powder vs. Oil  
Wendy Hermes, Nutrition (graduated summer 2015)

Eating Frequency, Within-Day Energy Surpluses and Deficits, and Adiposity in Free-Living Adults Consuming Self-Selected Diets  
Ayla Shaw (graduated spring 2015)

The Relationship between Within-Day Energy Balance and Protein Distribution on Body Composition In Collegiate Female Athletes  
Robert Bergia, Nutrition (graduated spring 2015)

The Masking Effect: A Comparison of Pre and Post Folic Acid Fortification Periods for Vitamin B-12 Deficiency without Macrocytosis  
Ben Steele, Nutrition (graduated summer 2014)

Does Fruit and Vegetable Intake Promote Successful Weight Loss in Adolescence after Undergoing a Sleeve Gastrectomy?  
Abby Johnson, Nutrition (graduated summer 2014)

Nutrition Education in Georgia Senior Centers: Efficacy of Web-Based Dietary Approaches to Stopping Hypertension (DASH) diet application  
Ashley Harrison, Nutrition (graduated summer 2014)

Relationship between Daily Protein Distribution and Body Composition in Elite Gymnasts  
Julie Ann Paszkiewicz, Nutrition (graduated summer 2014)

The Relationships between Real Time Energy Balance, Hunger, and Body Composition  
Ashley Delk, Nutrition (graduated summer 2014)

Energy Balance and Protein Distribution throughout the Day Affect Body Composition in Physically Active Young Adults  
Heather Hanson, Nutrition (graduated summer 2014)

The Relationship between Unmetabolized Folic Acid and Serum Folate Concentrations and Risk in Older US Adults  
Regine Baldauff, Nutrition (graduated summer 2013)

A Low-fat Diet Containing Heated Soybean Oil Promotes Hyperglycemia in C57BL/6J Mice  
Olivia Middleton, Nutrition (graduated summer 2013)

Demographic, Dietary and Lifestyle Determinants of Vitamin D Status in the US Population: National Health and Nutrition Examination Survey, 2005-2006  
Shalini Patel, Nutrition (graduated summer 2012)

Habitual Nutrient Intake in HIV-Infected Youth and Associations with Serum Lipid Profiles and HIV-Related Factors  
Lindsey Stricker, Nutrition (graduated summer 2012)

Association of Serum Vitamin D Concentration with Dietary Patterns in US Children  
Bernadette Martineau, Nutrition (graduated spring 2012)

The Effect of Meal Frequency and Energy Balance on Body Composition in Children and Adolescents  
Laura Delfausse, Nutrition (graduated fall 2011)

The Impact of Carbohydrate Restrictive Diets on Body Fat Percentage in the Female Athlete  
Lauren Lorenzo, Nutrition (graduated summer 2011)

The Effects of Omega-3 fatty Acid Intake on Muscle Soreness in Collegiate Rowers  
Danica Carswell, Nutrition (graduated fall 2010)

Association between Serum Vitamin D and Metabolic Syndrome in Children and Adolescents in the United States  
Nida Shaikh, Nutrition (graduated fall 2010)

The Relationship between Within-Day Energy Balance and Menstrual Status in Active Females  
Alexandra Friel, Nutrition (graduated summer 2010)

## SERVICE

### UNIVERSITY, COLLEGE AND DEPARTMENT SERVICE

#### Administrative

2015 (May – July)	Acting Associate Dean for Academic Affairs, BFLSNHP
2011 – 2013, 2019 – Present	Interim Chair, Department of Nutrition
2009 – Present	Graduate Program Director, Department of Nutrition

#### Committee

2017 – Present	Member, GSU NTT Manual Revision Committee
2015 – Present	Member, GSU University Senate
	2018 – Present: Member, Library Committee
	2015 – Present: Member, Faculty Affairs Committee
	2015 – 2018: Member, IS&T Committee
2015	Member, Associate Provost for Faculty Affairs Search Committee
2014 – Present	Member, Board of Directors, GSU PT and Wellness Clinic
2013 – 2015	Chair, BFLSNHP Faculty Advisory Committee
2013 – Present	Member, Partnership for Urban Health Research (School of Public Health)
2013 – Present	Chair, Department of Nutrition Curriculum Committee
2012 – 2019	Member, University Research Services Administration Grant Review Committee
2012	Member, GSU/CDC Grants Review Committee
2011 and 2016	Chair, Department of Nutrition Faculty Search Committee
2009 – 2010	Member, Department of Nutrition Faculty Search Committee
2009 – Present	Center for Leadership in Disability (CLD) Faculty Affiliate

## **COMMUNITY SERVICE**

- 2015 – Present Adjunct Assistant Professor, Department of Pediatrics, Emory University School of Medicine
- 2013 – Present Consultant, Intestinal Rehabilitation of Children’s (IROC), Children’s Healthcare of Atlanta

## **NATIONAL SERVICE**

- 2019 – 2020 Course Director, 11<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (Toronto, Ontario, Canada)
- 2018 – 2019 Course Director, 10<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (Pittsburgh, PA)
- 2015 – 2016 Course Director, 9<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (Los Angeles, CA)
- 2013 – 2014 Course Director, 8<sup>th</sup> International Pediatric Intestinal Failure and Rehabilitation Symposium (Atlanta, GA)

## **UNIVERSITY OF PITTSBURGH MEDICAL CENTER, CHILDREN’S HOSPITAL OF PITTSBURGH**

- 2008 Planning Committee: 5<sup>th</sup> International Pediatric Intestinal Failure & Rehabilitation Symposium
- 2006 Planning Committee: 4<sup>th</sup> International Pediatric Intestinal Failure & Rehabilitation Symposium
- 2004 – 2009 Member, JCAHO Readiness Team
- 2002 – 2007 Member, Process Improvement & Management Committee
- 2002 – 2005 Member, Cerner Redesign Project
- 2002 Planning Committee: 3<sup>rd</sup> International Pediatric Intestinal Failure & Rehabilitation Symposium
- 2000 - 2009 Manager, Lactation Committee
- 2000 Planning Committee: Pediatric Intestinal Failure Conference: Strategies & Controversies
- 1998 - 2007 Member, Wound Care Committee
- 1996 Planning Committee: Short Bowel Syndrome in Children: Challenges and Opportunities for the 90’s
