

The School of Nursing at Georgia State University encourages applications from faculty, leaders, and administrators to be part of an enterprising research (R1) university with national recognition as innovator to drive student success and research growth with committed faculty that strive to develop novel solutions to our most complex and pressing problems.

The School of Nursing (SON), downtown Atlanta campus, provides a premier multicultural learning experience to more than 555 undergraduate and graduate students. The SON offers collaborative opportunities with a variety of GSU centers and institutes focused on urban health, health disparities, health policy, law, and gerontology.

Title: Clinical Instructor/Assistant/Associate Professor (9-month, Non-Tenure Track appointments)

Log # 22077/22078 Rank will be determined based on highest degree obtained and prior clinical and/or teaching experience.

Responsibilities:

- Teaching and curriculum development in the SON undergraduate and/or graduate programs utilizing multiple formats (online and/or Face to Face)
- Participating in scholarly activities such as conference presentations representing the SON, and service such as committees in the school, college or university levels.
- Student advisement and mentoring.

Qualifications: Minimum qualifications include: Georgia RN license/license eligible; master's degree in nursing; and a minimum of two years of nursing practice and teaching experience. Certification such as nurse practitioner or clinical nurse specialist with current practice experience desirable. Preference will be given to those with a DNP, PhD, or equivalent doctoral degree and prior teaching experience.

How to apply: A complete application includes

1. A cover letter with a summary of your teaching philosophy, teaching experience and student feedback, and summary of community involvement, partnerships, or service.
2. Current curriculum vitae.
3. Contact information with three professional references.
