

BYRDINE F.  
**LEWIS COLLEGE**  
OF NURSING AND  
HEALTH PROFESSIONS

The School of Nursing (SON), located in the downtown Atlanta campus of Georgia State University (GSU), currently provides a premier multicultural learning experience to more than 555 undergraduate and graduate students. The SON offers collaborative opportunities with many GSU centers and institutes focused on urban health, health disparities, health policy and law, and gerontology. We invite applications for the following three full-time faculty positions.

**Assistant/Associate/Full Professor (9-month, Tenure Track appointments)**

Responsibilities for these three positions include developing or advancing a focused program of funded research and teaching in the undergraduate and/or graduate programs. Other responsibilities include student advisement and mentoring, as well as service. Minimum qualification include: PhD or equivalent research doctoral degree. While a preference will be given to nurse researchers, other health-related disciplines are encouraged to apply. Prior teaching experience desirable. Competitive compensation package with startup funds are available. For inquiries regarding these positions, please contact Dr. Dawn Aycock at: [daycock@gsu.edu](mailto:daycock@gsu.edu) (*Applicants with a DNP should apply for a non-tenure track position. Please see relevant information below.*)

**Log # 18-112**

Nominations/applications are encouraged. Complete applications for these tenure track and non-tenure track positions should include the position log number found below the position description, a letter of application, curriculum vitae, and contact information for three professional references. These should be emailed to: [gsusonsearch@gsu.edu](mailto:gsusonsearch@gsu.edu)
